Barda, we were like molasses  
Hello to my boat, Saint Nicolas

A silver-stuffed charm  
and a joy, to you, I owe it to you  
and a joy, to you, I owe it to you  
A silver-stuffed charm

Barda, we were like molasses  
Hello to my boat, Saint Nicolas

Come, help, throw out the anchor  
and all hands cling with love

Clew up the white sails  
to get the fish to shore  
to get the fish to shore  
Clew up the white sails

Barda, we were just molasses  
hello my boat, Ay Nicolas

Now let's get to our mansion  
glad to head for home

And my girlfriend loves us  
loves to give sailors kisses  
loves to give sailors kisses  
And my girlfriend loves us

Come on and do it, hey  
Hello my boat, Saint Nicholas
